

1 please.

2 A The American Society of Clinical Oncology,
3 the American Society of Hematology, the American
4 Society of Internal Medicine and American College of
5 Physicians.

6 Q The practice at the present address that
7 you gave us, how long have you been in that practice?

8 A Since 1977.

9 Q Have you authored any publications, books or
10 articles?

11 A I have authored I think five or six
12 articles, but that was mostly prior to the time that I
13 went into my current position.

14 I have given a number of talks along the way
15 because of my position in teaching house staff, but I
16 haven't written any scientific papers for the last 15
17 years.

18 Q Have you ever authored anything on the
19 subject of asbestos?

20 A Authored?

21 Q Yes.
