**Subject:** hiring?

Hi Nancy,

I hope you are doing well. Busy for sure! I'd love to catch up whenever you can clear your calendar for lunch or a cocktail.

I heard through Seth Goldberg that you may be hiring for several positions. I'm not inquiring for myself, but for my husband Craig who has been in the environmental arena for a long time. In fact, he is a former EPA employee; he was with the Energy Star program for several years. He recently left Toshiba where he ran its environmental affairs program for the Americas for 10+ years. He's looking for senior level position in a policy/management role (not a scientist). Anything come to mind? I can shoot his CV over if there is a possibility.

Thanks! And, Happy Friday.

All the best,  
Komal
