FROM THE BUTLER COUNTY HEALTH DEPARTMENT

February 17, 1961

Robert A. Kehoe, M.D.
The Kettering Laboratory
Eden & Bethesda
Cincinnati, Ohio

Dear Dr. Kehoe:

I am delighted by your acceptance of an invitation to talk at the Butler County Medical Society on March 15, 1961, on the subject of "Air Pollution and its Medical Implications". The meetings start at 6:30 P.M. The specific location of this meeting has not yet been determined although by Society agreement it is understood that it will be in the vicinity of Middletown.

Mr. Charles Greig, the Secretary of our Society, will contact you to inform you of the exact location and to determine what visual or other aids you may need in your presentation.

Please feel free to review with Mr. Jean Scheuneman at the Taft Sanitary Engineering Center any of the information they have gathered relating to air pollution in Hamilton and Butler County where an air pollution survey was conducted in 1960, where an extensive sampling program took place in 1960, and where participation in the national sampling network occurred in 1959 and 1961.

Of course by your own past activities you are aware of some of our problems including those relating to American Cyanamid.

It is possible that there may be some interest among the physicians in the hazards due to automobiles, diesel motors, etc.

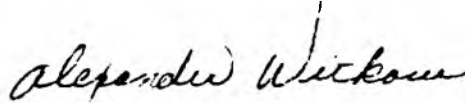

While no specific time limitation has been set, it is not an uncommon practice for the presentation to take approximately forty to forty-five minutes with discussions and questions arising thereafter.

KE 00587

The Society will be honored by having you as its guest and will be pleased to pay a nominal honorarium to cover your expenses.

May I again express my appreciation of your acceptance of this invitation.

Sincerely,

A handwritten signature in cursive script, reading "Alexander Witkow".

Alexander Witkow, M.D., M.P.H.
Commissioner of Health
Butler County Health Department

Eden and Bethesda
Cincinnati, Ohio

Dear Dr. Kehoe:

Dr. Alexander Witkow, of our Program Committee, has informed me of your acceptance of our invitation to talk to our Society on March 15 on the subject of "Air Pollution and Its Medical Implications".

The meeting will be held, beginning with a social hour at 6:30 p.m., on Wednesday, March 15, in the Driftwood Room of the Sports Bowl (Bowling Lanes), in Middletown, Ohio. The Sports Bowl is located at 2804 South Main Street (old Ohio Route #4), just north of the Ohio Route #73 turn-off to Oxford and Trenton.

Unless I hear from you to the contrary, I will assume you need nothing in the way of visual aids.

Although we are not in the position to tender an honorarium, we shall be happy to hand you a check in the amount of \$20.00 to help defray your travel expense from Cincinnati.

Sincerely yours,

BUTLER COUNTY MEDICAL SOCIETY

Charles G. Greig

BUTLER COUNTY MEDICAL SOCIETY
ORGANIZED 1836
BULLETIN

110 N Third St., Hamilton, Ohio

March 7, 1961

Our next regular meeting will be held on Wednesday, March 15, at the

Sports Bowl (Driftwood)
2804 S Main St.
Middletown, Ohio

Social Hour: 6:30 p.m.

Dinner: 7:00 p.m.

A widely discussed and timely subject is up for discussion: "Air Pollution and Its Medical Implications". Our speaker will be Dr. Robert A. Kehoe, director, Kettering Laboratory, Cincinnati, the outstanding authority in this area, with a broad local, state, national, and international background in his area of interest and activity.

Dr. Kehoe received his M.D. at the University of Cincinnati in 1920; Pathologist Jewish Hospital, Cincinnati, 1920-24; Assistant Professor Physiology, College of Medicine, University of Cincinnati, 1921-31; Associate Professor, 1931-39; Research Professor, 1939-49; Director of the Kettering Laboratory since 1930; Professor of Industrial Medicine since 1948; Director of University of Cincinnati Institute of Industrial Health since 1948; Director of Department of Preventive Medicine and Industrial Health since 1948; Medical Director of Ethyl Corporation from 1925 through 1958; National Consultant, Surgeon General, U.S. Air Force; Fellow Graduate School of Arts and Sciences, University of Cincinnati, since 1937; recipient Kilgour Prize, 1920, Knudsen Award for 1948-49, Award of Technical and Scientific Societies Council Cincinnati, 1952, Award of American Academy of Occupational Medicine, 1957, Mellon Award of Air Pollution Control Association, 1960.

- - - - -

Since our first meeting of the year was a joint meeting with the Woman's Auxiliary, this will be the first meeting at which our new President, Dr. Paul Ivins, will preside. In case you missed it before, other officers of the Society are: Secretary-Treasurer - Dr. Robert Kappers; President-Elect - Dr. James Sawyer; Secretary-Treasurer-Elect - Dr. James F. Stewart; Delegates - Dr. Neil Millikin and Dr. John Carter; Alternate Delegates - Dr. Richard Zettler and Dr. John Perkins.

- - - - -

The Butler County Bar Association has invited us to meet jointly with them in April, on the 12th. They are making the plans and arrangements. You will receive later notice of time and place.

- - - - -

This year the OSMA is holding its Annual Meeting in Cincinnati, beginning on April 10. We sincerely urge you, and your wife, to scan the programs, professional and social, and plan to attend some of these sessions which are so handy to us in Butler County.

- - - - -

A few members are delinquent in paying their 1961 dues. If you are one of these, we hope you will send your check immediately to Butler County Medical Society, 110 N Third Street, Hamilton, Ohio. Dues are: Butler County - \$20.00; OSMA - \$30.00; AMA - \$25.00, a total of \$75.00.
