RE: September 9 Record of Conference Call

The September 9 Record of Conference Call is enclosed for your review. Also enclosed is an Evaluation Matrix for VCM Industry-Wide Cohort Study Update Proposals prepared by Jonathan Ramlow to help Committee members in evaluating the proposals.

I contacted the University of Alabama at Birmingham to request a proposal for the study. Due to the time constraints, the University of Alabama declined to submit a proposal.

If you have any questions, please contact me at (202) 887-1192. Thanks.
