Nitrokote Enamel

(the new lacquer finish)

Just imagine sitting in a chair that you have
enameled but a scant half hour before!
NITROKOTE dries as quickly as that.

Picture the results of a few hours invested in
renewing your furniture—brighter rooms
radiant with the zest of newness. You can
apply NITROKOTE yourself.

Look forward to the permanence of this
wonderful finish. It will not crack, nor check,
nor show marks from ordinary use.
