

EAGLE

READY-TO-USE

WHITE LEAD PAINT

100%
Genuine

1 Being pure white lead, Eagle RTU has traditional beauty and durability.

2 Its factory-mixed convenience gives it new economy and popularity.

1 Eagle RTU has fine working qualities, brushes easily, covers completely.

2 It makes a tough, elastic coat that chinks evenly, won't crack or scale.

1 Eagle RTU is favored by painters for its time-and-labor-saving economy.

2 It is preferred by homeowners for easy application, for its WHITER white.

1 Eagle RTU boosts your sales by stimulating a big repeat business.

2 It builds your prestige, being backed by Eagle-Picher's 104-year-old name.
