Dear Dr. Kehoe:

Many thanks, indeed, for your letter of November 1 and for the obvious trouble you have gone to in editing the material which I have sent across to you. It is needless for me, really, to say how grateful I am to you for ^{your} prompt action on this matter.

I fully appreciate your thoughts as expressed in your last paragraph of your letter, and you may rest assured that I will most certainly be guided by it.

It is now certain that I will not be able to see you before my departure and I therefore take this opportunity of expressing my thanks to you for your good wishes. On my return, I will most definitely make a point of coming out to Cincinnati to see you.

Yours sincerely,

H. Fossett
