Delco-Moraine Plant Tour

L. E. Bretz

E. F. Potts

Delco-Moraine purchasing and engineering personnel have requested a plant visit to be held on November 20th.

We would all fly into Washington the night before and I will take care of arrangements for dinner and lodging for that evening. After breakfast, we would plan to be at the plant by 8:30 for a short meeting in the conference room, a plant tour, and discussions with product development and customer relations personnel.

After the tour, we would hope to have lunch at the Winchester Country Club and could cover anything else in the afternoon that they so desired. After leaving Winchester, they plan to go to their Fredericksburg, Virginia operation.

As soon as I get a firm rundown on names, I will advise.

Thank you for your cooperation.

Earle
