

November 3, 1927.

Dear Dr. Aub:

I have received the two checks that you sent me, amounting together to \$2500, and I have received also a check for \$2500 from Mr. Clinton H. Crane, making a total of \$5,000 which I am forwarding to the Treasurer.

I am writing to Mr. Crane, thanking him for his \$2500 check, since it was sent to me directly. My understanding is that you have acknowledged the others, but if you think it wise I will also write to Mr. Thompson. I am very glad that they have been so generous in continuing the support of your work.

Very sincerely yours,

David L. Edsall, M.D., Dean.
