Hello Denise, I am following up on the below email to Nick. I have been in telephone contact with Marc Faecher several times. The status now is that the Region was waiting on confirmation from the state to begin discussions that you requested. That has now been received. We are still awaiting confirmation from DOJ. Once received, I or the Region will propose some type of discussion format to see if we can resolve the differences remaining. Please call or email if you have any questions. Thanks.

I think you spoke with someone late last week. Want to follow up with her?

Hi Nick, are there any updates on our issue? Would it be helpful to get us together with the team you all are talking to at EPA so you and Kell can hear the discussion? We are glad to do whatever helps the process. D
