

LEAD INDUSTRIES ASSOCIATION

Graybar Building, 420 Lexington Avenue
New York, N. Y.

October 14, 1936.

To Members of the Lead Industries Association:

Subject: AIR HYGIENE FOUNDATION OF AMERICA, INC.

We have been informed by the Air Hygiene Foundation of America, Inc., that they have just published Part vii of Bulletin No. 1, Legal Series, which contains an analysis of the laws and court decisions pertaining to industrial disease of five additional States. The States covered by Part vii are:

Vermont

Washington

Virginia

West Virginia

Wyoming

The price is 40¢ per copy, and we shall be glad to obtain copies for you.

The publication includes a chapter on medical examination and treatment, a summary, and a complete index.

A report of the Preventive Engineering Committee is ready to go to press, also a report of the Medical Committee will follow in a short time.

The Air Hygiene Foundation informs us that there has been compiled this year and is now in the offices of the Foundation, in the new Mellon Institute Building, a reference index, together with many complete reprints and many more abstracts, on industrial diseases due to air pollution, and that this may be consulted by members of the Foundation.

Respectfully yours,

J. W. Torrance
Secretary.
