I just walked down to the scheduling team and told them I consider this a high priority meeting for the boss to take.

Thanks,
Scott

Well, best of luck with that. If you want some of his former colleagues to weigh in on your behalf, or to send notes, let us know and we'll see if we can't make that happen.

Hi Dave,
I don't know what final position I will end up in. I am having lots of fun, and I think adding value, in Water and Science, but Policy, Management, and Budget would be a natural for me, too. I hope to have a conversation with the Secretary about my future sometime soon.

Thanks,
Scott

Thanks, and thanks for forwarding it.

Have I missed anything regarding appointments? Specifically yours?

I found my note card from our meeting, so I will make those e-connections that we discussed (ie Jeff Shockey, etc.).

I'm sorry to bug you, but I just want to be sure that this request is in the Secretary's system. Is there a specific appointments person that I should contact as well?

Thank you.

Subject: Interior Secretary Zinke Appointment Request

Scott:

Thank you for your kind offer to convey this very important meeting request to the appropriate person in Secretary Zinke's office. The attached letter from Randy Record, Chairman of the Metropolitan Water District of Southern California, speaks for itself. All we in Met's DC operation can add is our renewed commitment to work with the Department of Interior on consensus-based solutions. Please let us know what else that the Department may require to facilitate this meeting request. Thank you.

Cordially,

--Dave Ramey

PS Met's Assistant General Manager/Chief External Affairs Officer cc'd above and referenced below, Ms. Dee Zinke, pronounces her last name zink ... but is open to a pronunciation change ... if that helps.
