Looking into July, the AZ Hopi Indians, including the Chief and several Council members, are looking to visit DC to see Sec. Zinke regarding the Navajo Generating Station issue. As you know, several hundred Hopi jobs hang in the balance between the plant and nearby Kayente mine, and the government has a Trust Responsibility to the Hopi and Navajo should the plant close. Their dates are flexible at this time. Can you please give me a couple windows of time (days etc.) so that they may make plans to come and meet?

Thanks,
Scott
