least for the Model A, that you should obtain Ford replacement parts when replacing parts in these vehicles; is that correct?

A Yes, all car manufacturers do that, yes.

Q Now, looking at what has been marked as Wood Miscellaneous 16, and first I will show it to Mr. Williams, let me show you what has been marked as Wood Miscellaneous Exhibit 16. And I ask you to take a look at this document.

Can you tell me if that is a service manual for 1946 Ford cars and trucks?

(Whereupon, document tendered to witness.)

A Yes. It appears to be a late one because it is August 15th of '46, but that is what it is.

Q And I have Xeroxed not the whole portion, but Part 3 which is the part relating to wheels, cars and brakes.

A That is correct.

Q Now, the service manual, who would receive the service manual?

A These manuals? They were -- I don't know if
