PAINTED WALLS
the perfect background

Figured and patterned walls do grow tiresome, especially in smaller rooms; and they often "steal" some of the beauty and richness of furniture and hangings.

Walls painted with flat paint are resistant to mold

an ideal background for furnishings. Bringing out all their color, charm and beauty.

Such a room is always fresh, for FULL GLO is washable. It is so easy to apply that you can do the smaller jobs your-self—especially the refinishing of furniture. For more important jobs, however, such as painting rooms now papered, it is better to employ a Master Painter.

~~GET ELECTRIC GARDEN HOSE~~

***Gives Years of Added Service
Because It Cannot Kink***

IF YOU buy the ordinary garden hose, you'll find it kinks quickly. Run it. It kinks. It kinks. It kinks. It grows into kinks. And then your hose is useless. It's only too late to get a good hose.

Buy Electric Garden Hose—and the price will rise. It is the work of hose manufacturers to make things that must stand for life. It is a lot of water and air that flows hundreds of pounds of pressure on a hose under the garden hose from the left and fast.
