Attention: Mr. G. L. Rawlings

Gentlemen:

In accordance with your request, we are enclosing a certificate for the Navy advising that Kaiser K-Spray Ceiling Texture complies with current Federal Regulations concerning asbestos.

Please note that the Department of Labor Regulation 29 CFR 1910 requires that persons handling asbestos-containing products and exposed to asbestos dust must be provided with approved respirators. It also requires that emptied bags be placed in a plastic bag and disposed of in an approved dump. It is the duty of the contractor to see that these provisions of the regulation are complied with.

Very truly yours,

KAISER GYPSUM COMPANY, INC.
