Dr. Goble
Department of Environmental Health
University of Washington
Seattle, Washington 98105

Dear Dr. Goble:

With reference to ~~our recent~~ telephone conversation concerning tissue analysis for PCB's enclosed is a copy of the paper to which I referred: ~~Kaley et~~ al, Bull. Environ. Contam. Toxicol. 15 699-707 (1976).

I hope that this information will be of help to you.

With kind regards.

Sincerely,

Peter E. Berteau
