Tate:

Minnesota AgriGrowth Council appreciated the opportunity to host Administrator Pruitt last week. I know I can speak for the other attendees, that we appreciated Administrator Pruitt taking the time to meet with a group of MN ag leaders, as well as his remarks to the group assembled and leadership at EPA.

Please let me know if I (and MN AgriGrowth) can be helpful in the future in terms of making connections w/ MN ag leaders, future visits to MN, etc. If there are any follow-up contacts you need to make as a result of last week's meeting, please let me know.

Thanks again.

All-

It was a pleasure meeting you all this morning. Thanks for taking time out of your busy schedules to speak with Administrator Pruitt on WOTUS and other important issues.

I am going to reach out to some of you all individually on follow-up items, but I encourage you ALL to reach out whenever Team Pruitt at EPA WHENEVER we can be helpful. I have also cc'd Ken Wagner who is our Director of State and Regional Affairs as another good POC.

Also, one BIG thank you to Perry for organizing. Perry, I didn't get everyone's cards, but do you mind passing this along to the whole gang?

Talk soon!
