No paint is better than its Ingredients

IF YOU are anxious to produce paints that will sell quickly and give lasting satisfaction, investigate Titanox-B (barium base). • Titanox-B has become "a friend in need" to many manufacturers seeking a line of paints with outstanding sales appeal. In Titanox-B they have found a pigment that combines all the qualities they have long desired. High opacity, chemical stability, high light-reflective value, uniform particle fineness, high bulking value and moderate cost. These properties will improve the quality of your paints. Perhaps we can help you formulate products that will appeal to the most critical buyers. • We shall be glad to assist you in adapting Titanox-B to your formulas. Address our nearest branch.
