LETTER BALLOT

BALLOT NO. D11.54W (K1) 68-3

Re: K11 Bond Values for BA Materials

Proposal:

The following K11 bond values be included in the suffix tables:

BA Tables 200 psi minimum for 3, 4, and 5 and no value on grades
2 and 7.

<u>Yes</u>	<u>No</u>	<u>Not Voting</u>
_____	_____	_____

Comments to support negative vote: _____

Explanation:

One of the points in resolving ballot 68-1 was to put only one proposition on each ballot. This is a repeat of the second part of ballot 68-1.

Name: _____

Company: _____

Date: _____

Please return ballot by December 1, 1968 to:

Mr. R. M. Cardillo
Enjay Polymer Laboratories
P. O. Box 45
Linden, New Jersey 07036
