

MEMORANDUM FOR THE CHIEF EXAMINER:

Re: Docket No. 5253
In the matter of
National Lead Company, et al.

It is requested that each of the men in the field inspecting records for securing evidence for use in this case be instructed as follows:

- (1) Secure information from records concerning sales made to at least two buyers (one who buys in large quantities and one who buys in small quantities) in each class located in each of the towns shown on the lists already furnished.
- (2) Secure from the company a complete list of those to whom it has sold white lead during the period January 1 - March 31, 1943, ir-
respective of where the customer is located.
- (3) The classification for each customer should be indicated on the list you make up of the customers.

Respectfully submitted,

Everette MacIntyre
Trial Attorney
