Whether it be a time-worn chair or a table, saved more for sentiment than for appearance sake, it can be brought back to its original lustre by one coat of B-H Lustrelac.

Mahogany, walnut, cherry, oak—whatever the style and whatever the finish, there is a Lustrelac shade to match it.

Lustrelac imparts a brilliant, durable and lasting finish. An old piece of furniture retouched with Lustrelac can hardly be told from new. Eight shades and colorless.
