Subject: Fwd: Meeting Request for General Motors to include the CEO

Hi Sydney,

It was a pleasure speaking with you today. Here is the meeting request that was sent on Friday. As I mentioned, the Secretary of Energy will be traveling out of the country and thus cannot make this meeting.

Regards,
Diane

I know we have been working on a meeting request for March 31st but there has been a change in the request.

The Chairwoman & CEO of General Motors, Mary Barra, is going to be in Washington on April 11th along with Craig Glidden and Dan Turton. Because she is going to meet with the President that morning, she would like to join in a meeting with Secretary Perry and Administrator Pruitt along with Mike O'Bannon.

It is important that we lock down a time in the afternoon when they can all meet. The meeting does not have to be separate and therefore the meeting can be at DOE or EPA and coordinated as such. I would appreciate it if you would work with whoever is appropriate so we can get back to the Chairwoman & CEO and let her know that the meeting is scheduled and locked down.

I thank you in advance for your assistance.

Regards,

Diane
