Good morning Sarah,

Hope this email finds you well! Ken Wagner forwarded on the below request to me for a meeting with Administrator Pruitt. Unfortunately we are unavailable at the beginning of next week. Is Mr. Fyrwald in the DC area very much?

Thank you!

Subject: Request for meeting next week with Administrator Pruitt with CEO of Syngenta

Hi Holly and Kenneth,

It was lovely to meet you last week with the Greater Phoenix Economic Council (GPEC). You both and Administrator Pruitt were very helpful. On a separate topic, this is a request for a brief meeting for Monday or Tuesday with Administrator Pruitt with the CEO of Syngenta, Erik Fyrwald, who will be in Washington, D.C. at that time. As you may know, Syngenta is one of the world's largest providers of products to help farmers achieve sustainable crop and food security. Syngenta operates in 90 countries with nearly 30,000 employees and generates nearly \$13 B in annual sales. We are providing additional background on Erik below.

Background on Erik Fyrwald, CEO, Syngenta

Erik Fyrwald is the CEO of Syngenta, a position he has held since June 1, 2016. Previously, he served as President and CEO of Univar, a world leader in the distribution of chemistry related products and services, as well as Nalco Holding Co., a leading global provider of water treatment and oil and gas products and services. Additionally, Mr. Fyrwald spent 27 years at DuPont, where he held positions relating to technology, manufacturing, sales and marketing, strategic planning, and management. He also serves on the Board of Directors of Eli Lilly & Company and the Society of Chemical Industry. Mr. Fyrwald holds degrees from the University of Delaware and the Harvard School of Business.

Can you please let us know if a brief meeting would be possible with Administrator Pruitt on Monday or Tuesday?

Thank you,
Sarah
