ASBESTOS HANDLING COMMITTEE RECOMMENDATIONS

The Asbestos Handling Committee has made the following recommendations which are hereby adopted by the Chlor-Alkali Products Department:

For dry asbestos handling, use the following:

1. MSA Dust Foc 77 - Dow Stock No. 15-26005
2. Wilson #600A Dust Respirator - Dow Stock No. 15-25460

For dry asbestos handling and chlorine gas protection (dry pulping on operating series), use the following:

1. Welch 7503 Chlorine
Respirator - Dow Stock No. 15-26025

Welch Cartridge
7500-3

Welch Adapter Filter
Cover 7500-14

Welch Filter Pad
7500-6B

2. Acme Duo-Seal Respirator
No. 8101-IC - Dow Stock No. 25965

ST000281

No.

7-11-73 73654
GMA

April 20, 1970

Acme Cartridge
502-1C

- Dow Stock No. 15-22895

Acme Dust Filter
Adapter 8130

Acme Filter Pad
8131

The dust filter adapters and filter pads for the Welch and Acme Respirators are not stock items. Stock Department does not want to stock these items as their use is rather limited.

I have asked Chlorine 4 to be the supply point for the adapters and filter pads. As soon as a supply is on hand, you will be notified.
