IMPORTANT

This is an index to the subject material in the Safe Practices, Special Industries and Health Practices Pamphlets.

1. Heavy face type indicates an entire pamphlet on the subject; example — ACCIDENT REPORTING.
2. Light face type indicates brief references to the subject in the pamphlet; example — Absenteeism. In such cases the numerical list of pamphlets at the end of the index should be consulted to find out general subject.
3. Safe Practices Pamphlets are referred to by number ONLY; Health Practices Pamphlets by the prefix H.P. and Special Industries Pamphlets by an abbreviation of the industry name; example—"Ru" for the Rubber Industry.
4. For numerical list of these pamphlets see last two pages.
