OFFICE: Research Admin.

TO: RPT

TO: CHICAGO #75

OFFICE

DATE: July 21, 1971

FROM: F. C. BERTSCH

SUBJECT: Lead Free Paint Products

REPLY BY: 8/1/71

DICTATED BY:

We may make some reference in our sales literature that certain products are lead free (i.e., no lead other than minor contamination or impurities).

Please furnish Mr. Kline (Merchandising, Swift Building) with a list of price list line items which are lead free, and send me a copy. In the case of alkyl products, verify whether or not lead is added during manufacture of the vehicle.
