Drugs of Known Potency

Illness must be combatted with reliable weapons. Drugs of uncertain strength will not do. Your physician prescribes remedies expecting certain definite effects. We see to it that the drugs ordered have all the potency they should have, and also see that they are so compounded that their potency shall not be impaired.

There are times when such service as our prescription department provides is invaluable. This service costs you nothing extra.

Save money when you paint. Buy your own material and use none but **Sherwin-Williams Paint and Varnishes**. There are none so good. Hire a good painter to put it on and pay for the material yourself by the gallon or pound, and in that way you pay only for what you use. We sell nothing but the best material, and you can rest assured that what you get at our store is the best. We can furnish painters at reasonable wages by the day. A full line of everything. Get wise and see how much you can save on your job.
