Dear Mr.

My name is _____, I am writing to you on behalf of FIPRA International. We recently organised the event *PFAS: challenge for highly regulated and essential* sectors for which the Belgian FPS was registered.

The **Summary Report**, with Q&A was just released, please find a copy attached (for convenience's sake, also find the **PPT presentations** featured in the event).

The event counted on NGO and Industry representatives, ChemSec, EFPIA, ESIA and COCIR, and led to interesting discussions and shared as well as diverging opinions.

Kind regards and happy holidays!
