RJ – hope this morning’s hearing went well.

1. We understand the labeling amendment to the formaldehyde rule is “pending at OMB” but I can’t find it on their docket. Can you tell me the status because manufacturers have to start preparing for the switch in December?

2. Anxious to continue talks with Byron re: the coal ash petition. Can you tell me the status?

Thank you!

Ryan,

Do you have time for a quick call/ meeting next week to talk about the June 28th meeting with Administrator Pruitt?

Thanks!

Amy
