**Policy Affords
Low Prices to
Local Customers**

The Gibson Paint Factory, operated by R. C. Gibson at the corner of East 12th Street and 17th Avenue, maintains a cash-and-carry business.

"Our unusually low prices are possible because we manufacture and sell direct," Gibson said. "We rent no stores. Purchasers come to the factory for their paints. We have no salesmen. We do not deliver. We do no credit business."

The Gibson factory has been located at its present address for the past 16 years. Gibson formerly was in the paint business in Vancouver, B.C.
