Thank you for the introduction, Audrey!

Reema,

It's great to connect! I would love to schedule a call to learn more about what the Saudi Ministry of Energy is working on, and to explore how we might collaborate.

Will you be in Saudi Arabia in the coming weeks? If so, I can share a few time options that might work for an introductory call.

Looking forward to hearing from you!

Hi Reema-

I misplaced your card- so I apologize that it took me so long to reach out.

I wanted to connect you with Emily More, who works at the Bettering Human Lives Foundation. I think there is so much synergy in what BHLF does and efforts the Saudi Ministry of Energy is working on.

Can't wait to see what collaborations come out of this connection.

Thanks,
 Audrey
