

BAND ASBESTOS
ELITE SHIRTS
RECOMMEND - YES
SPECIAL ACCURACY REMOVAL

ASBESTOS GASKETS

what is the company's official position
safe substitute

- can we still use if there are
no suitable alternatives - ? YES
- is it necessary to change to - AS AVAILABLE
suitable alternatives ?
- if we must use does this IF THEY
require inclusion of mechanics
who replace ^{them} to be included in the
medical surveillance program ?
- assume asbestos removal procedure YES
would have to be followed to the
letter ?
- what is the co's position from <sup>VERY
LITTLE
EXPOSURE</sup>
a health & safety standpoint - ?

Please advise Bill Brummett
