Re: Anadarko E&P Onshore, LLC, Permian Basin Facilities in Texas;
Administrative Compliance Order on Consent, Docket No. CAA-06-2020-3370

Dear Ms. Berge;

On July 23, 2020, Anadarko E&P Onshore, LLC ("Anadarko") entered into an Administrative Compliance Order on Consent ("AOC"), Docket No. CAA-06-2020-3370, with the United States Environmental Protection Agency ("EPA") to resolve certain alleged violations of the Texas Administrative Code, which had been adopted into the Texas State Implementation Plan. Pursuant to the AOC, Anadarko agreed to specific requirements as outlined in paragraph 35 to be completed within 180 days of the AOC Effective Date (i.e., no later than January 19, 2021).

EPA has received and reviewed your final letter report, required under AOC paragraph 35, of all work completed under the AOC, dated January 19, 2021. Upon review, EPA hereby confirms that you have completed all requirements under the AOC satisfactorily. Should you have any questions regarding close-out of this AOC, please contact Enforcement Officer Jamie Salabogi at Salabogi.jamie@epa.gov (214) 665-7533.

Sincerely,

Darrin Larson
Chief
Air Enforcement Permitting Section
