Further to our letter of a few days ago with which we furnished you memorandum closing figures, we are pleased to forward at this time statement of results of our operations at this branch for the fiscal year closed August 31st, 1920, and which we believe now to be complete with the exception of the taxes for the period, which, of course, will be determined from the earnings shown. We are also in receipt of request from our Chicago office that these figures reach your hands at the earliest moment. We hope this arrives promptly and will be of interest to you.

Pursuant to your request received through our Chicago office, we are attaching Memorandum Statement of our operations for the year just completed, this showing, of course, before all closing figures are available. Since this statement was prepared, we have received belated charges from the Martin Senour Company, Chicago, in the amount of \$250.00 covering prize money paid to our salesman. We also understand that we are to be billed with an Administration Charge to the amount of \$15000.00.

Considering these amounts in connection with statement supplied, herewith, you will have somewhat of an idea of the showing made by this branch during the year closed August 31, 1920

Yours very truly,
THE MARTIN-SENOUR CO.
