FROM: Donald R. Lynam, Ph.D.
SUBJECT: Brief on OSHA Lead Standard

Enclosed is the final printed brief of the industry petitioners for review of the OSHA Standard for occupational lead exposure. The only differences between this brief and the one submitted to you earlier is that it represents the final printed version which was submitted to the court and contains citations to the joint appendix.

The LIA and consolidated brief of petitioners replying to the briefs of OSHA and unions is scheduled to be submitted on September 28.

Sincerely,

Donald R. Lynam, Ph.D.
Assistant Director, Environmental Health
