WASHINGTON October 2, 1961.

Dr Robert A Kehoe
The Kettering Laboratory
College of Medicine, Eden Avenue

CINCINNATI 19 Ohio

Dear dr Kehoe,

Thank you so much for your letter of Sept. 19 and the enclosed report.

The interest in these things in Sweden has been pooled into a committee under the academy that I represent. I know that they will be very grateful for the material that you have furnished me with. I have asked them to send you copies of reports that they in their turn may publish later on.

Truly yours,

Pelle Isberg
