REQUEST NO. 48:

At various times between 1930 and 1985, your company vehicles supplied, delivered and/or transported asbestos-containing products to the jobs listed in Part I, Request No. 3 above.

ANSWER TO REQUEST NO. 48:

Denied, except at various times Hampshire's vehicles transported materials that may have contained asbestos to all jobsites or jobsite types admitted in Request No. 3 to be worksites where Hampshire may have used asbestos-containing materials in construction of buildings, although Hampshire has no record of working or transporting any materials to Maryland Shipbuilding and Drydock or Allegany Ballistic Labs. Further, notwithstanding the aforesaid, Hampshire objects to this request in the context of the claim of Mary Matilda Wilson (Case No. 92230504), as there is no record that Hampshire ever transported any such materials to a worksite where Charles Wilson was allegedly working, so that this
