[Earnhart Equipment List rev 1.pdf](#)

Here's the specs for the equipment list below and attached.. this is only needed for equipment going underground in which we'll need MSHA approval. The items, on the attached, highlighted in green are the most important since they have voltage associated with them. Feel free to just respond to me and I'll get to our guys at the site. Give me a ring with any questions.

Examples from Fox News visit:

Backpack with Panasonic AJ-PX270 microP2

Manfrotto Spectra2 light (runs on 6 AA batteries)

2 Panasonic camera batteries (Model AG-VBR59, 7.28V each)

1 ikam camera battery (7.4V)

Sennheiser bodypack transmitter ( runs on 2 AA batteries, model 526061)

Sennheiser diversity receiver (runs on 2 AA batteries, model 527111)

Sennehiser plug-on transmitter (runs on 2 AA batteries, model 529041)

Nemal electronics international BNC

HDTV high flex precision video cable 3GHZ E108998

Manfrotto 190x tripod

Thanks,

**Zach Smith**

Thanks.

FYI- attached are a few photos of the bathhouse where the miners congregate for their safety briefings, etc. before going underground. This would be the recommended location for the open press/discussions with miners.

I'll have a site visit wrapping up a little after 11. I can hop on late or could we push to 1130?

**Subject:** RE: Thanks

Hi all – Looping in a few more members of our press team. I noticed that our schedule is different from what’s listed below. Here is the latest proposed line-by-line I have for the event:

- 11:10 AM EST Administrator Pruitt arrives
- 11:10 – 11:45 AM EST Discussion with coal miners in locker room and media availability, open press.
- 11:45 – 1:00 PM EST Private roundtable lunch with leadership, closed press.
- 1:00 - 1:45 PM EST Safety training and gear up, closed press.
- 1:45 – 3:45 PM EST Underground mine tour, closed press.
- 3:45 PM EST – Depart

Let me know if anyone has any changes to this.

Would an 11:00 EST call tomorrow work for everyone to go over press logistics?

Thank you,

Amy

Adding Zach Smith and Brian Aiello to this communication. They will be helping plan and stage this visit.

Below is a proposed framework to further discuss. Let us know when we can revisit this talk to put a finer point on the plan.

Harvey Mine- Patterson Creek Portal

1100am- Arrival at portal

11:15am-1200pm- Private roundtable discussion and lunch

1200-12:30-Safety training and overview

12:30-12:45- Gear up

100pm-300pm- Underground

- Harvey- 25 minute man trip each way gives us about an hour underground at the longwall

300pm-330pm- Press conference and employee event at the portal

Tommy Johnson

Tommy,

Thanks for your time today. I've cc'd everyone who might be bothering you with questions (in addition to myself) over the next week. Standby on invite situation.

Best.

Tate
