\$25,000 SUGAR FIRE

CARLTON, AP—A fire broke out in a warehouse of the Holly Sugar Company's new \$4,000,000 refinery yesterday and caused an estimated \$25,000 damage before it was controlled. Firemen from Haverly and El Centro aided in fighting the blaze.

agreement in effect. The measure was pushed through the House 234 to 119 by Republicans Wednesday. It not only contained controls over the President, but extended the act just one year. Democrats favor three years.

Chairman Mallick, R., Colo., of the Senate finance committee said his group will begin hearings on the Senate bill next week. They will last two days, he said. The exact date will be set later. Vandenberg said he prefers a two or three year extension, but
