May I approach the witness, sir?

THE COURT: You may.

REDIRECT EXAMINATION

BY MR. WILLIAMS:

Q I think Mr. Smith showed you both of these boxes.

And one of the boxes right here says authorized remanufactured for parts; is that right?

A Yes.

Q Can you tell the jury exactly what that term means?

A Starting about 19 -- early 1950s, I believe, Ford set up an arrangement at a number of discrete locations over the country to have engines, fuel pumps and miscellaneous other things rebuilt so that individual businesses not owned by Ford Motor Company could rebuild Ford parts to Ford's specifications for use by whoever. And they were supplied to the various car dealerships.

It is not convenient to ship engines and brakes and other bulky items all over from
