Subject: Re: HealthDay interview request

Amy,

Dr. Cascio is the Director of the National Health and Environmental Effects Laboratory in EPA's Office of Research and Development. Dr. Rappold is a statistician in the National Health and Environmental Effects Research Laboratory, in EPA's Office of Research and Development.

Hi Enesta,

When you have a chance, could you please email me Dr. Cascio and Dr. Rappold's titles with the EPA? Just to make sure I have them correctly.

Thank you,
Amy
