4 A Yes.

5 Q What type of interactions or dealings did you have

15 have been, in the setting it up, he must have become the
16 first director of it. That's to what I recall of it.

17 Q At the end of the AIA memo, Exhibit U, there is a
18 list of AIA member companies and subcommittee members. Could
19 you briefly look at that list of names and tell me if any of
20 those are familiar to you from your work --
