Dear Mrs. Metzger:

I regret that I will be out of town on Wednesday and unable to attend the Advisory Committee meeting.

As you probably know, S-607 was signed into law on November 9, 1973. A brief synopsis of its main provisions is attached.

A film on lead poisoning is available for loan free of charge. Please see attached clipping. I would be happy to arrange to borrow this if the Committee would like to see it.

Very truly yours,

H. E. Swain, Jr.
