Thanks Kevin I'll move you to bcc.

John I'm actually boarding a flight right now to San Francisco, so I'll be out of touch for a bit. But would love to chat sometime later this week if you have any free time. Let me know when works for you.

John is a good friend and former colleague who now handles all of Speaker Boehner's political and policy efforts. I'm sure John would be happy to work with you to make the connection with Administrator Scott Pruitt.

Mike and I had drinks last night to catchup and Mike mentioned they are working on a project to help expand the Administrator's network. Given Boehner's unique experience, I figured you should connect with Mike to see how you all can assist.
