ANSWER: Presently, Mencini believes the list of publications would include those shown on Exhibits 4.40 and 4.41 attached.

4.41 Identify all manufacturers' and/or chemists' association publications your company has subscribed to or received from 1920 to the present.

ANSWER: Prior to 1971 none, and for any publications after 1981, J. E. Mencini is attempting to collect this information and we will supplement this information as soon as it is received. For information available to date, please refer to Exhibits 4.40 and 4.41 attached.

4.42 Identify all medical journals or other such publications that your company has subscribed to or received from 1920 to the present.ANSWER:

See answer to 4.41 above.
