Good afternoon, Ati!

I hope you are doing well and having a great week. It is nice to be connected. I remember him speaking at this conference!

We are currently scheduling out about 1-3 months in advance given how crazy his schedule is, but if you could please complete the attached event form I will talk to him and our team about it in our next scheduling meeting as I'm sure he would love to attend if schedules allow!

Thank you so much for the invite and have a great rest of your week.

Izzy

Subject: [EXTERNAL] Invitation for Chris Wright for Goldman Sachs Energy Conference 2026

Izzy,

Hope all is well. Anjali Voria passed your email address along a few weeks ago. I am sure she told you, but we have had Chris speak several times before at the Goldman Sachs Energy Conference as the CEO for Liberty. This is among the premier conferences in the industry with top management teams from oil and gas, utilities, midstream and clean energy companies. Last year we had ~800 participants including investors.

We know he has enjoyed coming to the conference past few years and given his depth of understanding and vision for the industry, we wanted to extend the invite for the GS 2026 Energy conference to him as a keynote speaker if he is available.

The conference dates are for January 6-7. We typically have keynotes on both days and are happy to accommodate per his schedule. We'd be highly honored to have him speak at the conference. Let me know if either of you have any questions and we're around to chat if helpful.
