Charlie Halphen - Industrial Hygiene
Dow Chemical U.S.A.
P. O. Box 150
Plaquemine, LA 70765-0150

Dear Mr. Halphen:

The Air Quality Division is in receipt of your demolition notification dated December 31, 1985 relative to the Vinylidene Production Facility at Plaquemine. Your notice indicates removal of approximately 1514 square feet of ACM from various pieces of equipment between January 27 and January 31, 1986. The contractor for this work is Dow Chemical with the material to be buried at Dow Landfill.

This notice is complete as it contains all the information required in Section 81.3(d) of Subpart F contained in Part IV of the Louisiana Air Quality regulations.

If there are questions, comments, or changes, please call.

Sincerely,

William H. Davis
Chief, LESHAP Unit
