EPA Administrator Pruitt Speaker Request Form.docx

Dann,

I am so sorry to just now be responding to you on this! Would you be so kind as to complete the request form I have attached to this email? We are getting so many speaking requests that we are really trying to come up with a system that will make vetting and confirming much faster.

Please let me know if you have any questions and thank you so much for the invitation.

Warm regards,

Millan

FYI Kate and Millan that we are inviting Administrator Pruitt to speak at another WPC event, this time with more notice, to keynote our Solutions Summit event in May, which is

the largest policy conference in the Northwest. Any nudge or help you can provide would be appreciated!
