NOVEMBER MEETING

DATE: Thursday, November 21, 1985

PLACE: Tower Steak House, Route 22 (Eastbound), Mountainside, NJ
(see directions on reverse side)

AGENDA:

3:30 Executive Committee Meeting

5:00 Workshop - "Indoor Air Quality Monitoring" presented by William Kerbel of Atlantic Environmental Inc., Montville, New Jersey.

Bill is Vice-Chairman of the Indoor Environmental Quality Committee of AIHA. He will discuss new monitoring techniques for asbestos (the EPA leaf blower approach to aggressive sampling), biological contaminants, and other indoor air contaminants. He will also comment on new world wide standards for indoor air quality.

6:30 Dinner \$15.00 for members and guests
\$ 8.00 for full-time students

8:00 After-dinner - "New Jersey's Asbestos Regulations" jointly presented by Leonard Katz of the New Jersey Department of Labor and Barbara Warren of the New Jersey Department of Health.

Such questions as "what are the regulations?", "how are they being enforced?", and "what are the plans for new regulations?" will be discussed.

FOR DINNER RESERVATIONS, CALL (201) 469-5200 AND ASK FOR EXTENSION 364 (MARY CARMEN JACOBSON) OR EXTENSION 378 (ROBERT KLOSS) BY MONDAY, NOVEMBER 18, 1985. If your plans change, please cancel your reservation immediately since we must pay for all dinners that we guarantee. For additional information about the meeting, please call Barry Schlegel at (201) 235-3257.
